Chabod Academy of the Arts

Mission and Vision

Chabod Academy of the Arts is a creative arts training academy dedicated to helping people of all ages develop their God-given talent while igniting a passion within them to boldly share the gospel of Jesus Christ through creative expression. We are committed to strengthening the role of the arts as a means of enhancing one's quality of life and we are dedicated to taking this concept into various nations throughout the world.

Standard of Excellence

Our classes are designed to provide students with an opportunity to explore the arts while challenging them to achieve a standard of excellence. As students strive to attain excellence in their artistic expressions, they also learn skills such as patience, perseverance, self-discipline and teamwork. In turn they benefit from increased self-esteem and self-confidence and they have lots of fun in the process!

A Safe Haven for Learning

Chabod Academy of the Arts is free from sensual and provocative influences and our choreography and costumes are modest in nature. We carefully screen all music for offensive language, ideas and undertones and we ensure that all of our themes carry a positive life-affirming message. We believe that you will find us to be morally suitable environment for all members of your family!

Touching the Community

We seek to provide students with the opportunity to share their artistic talent through a variety of venues within their local community. Such performances take place at schools, churches, parks, parades and fund-raising events etc. These performances are not only fun for our students but they also help to raise the awareness of the importance of art in our society. Some students will also have the opportunity to go on tour to other cities or nations. As they tour these students will share the gospel of Jesus Christ through artistic expression.

Impacting the Nations

Art is a powerful tool and when used appropriately it has the potential to positively impact the world. Therefore, we are dedicated to sending teams into various nations to raise-up leaders who will carry out the vision and mission of Chabod Academy of the Arts within their communities.

Testimonies:

“Chabod Academy has given me a safe place to express myself. I consider each individual at Chabod part of my family. I know they each care for me and I care for them in return. I feel free to express who I am through dance and also improve who I can become.”

– Heather Feinberg (Student), 17

“I danced for years at secular schools and it was all about competition and being the best. Chabod Academy brought back my love for dance. It’s all about teamwork here. The Academy’s strong focus on God really encouraged me while going some hard seasons of life.”

– Melissa Hildebrand (CCT Choreographer), 24

“Infusion’s high spiritual standards and accountability kept me from doing things I knew were wrong. I can really see the progress I’ve made spiritually and physically over the past 4 years. Chabod Academy is my second home and everyone on the Infusion team is like family! It’s really helped me become the person I am today!

- Brynn Witman (Infusion Member), 20

“ I have 5 kids enrolled at Chabod Academy. They always have so much fun and can’t wait to go to class! All of them really enjoy Derek’s Gymnastics. I like to see them do their best and stronger week after week! It’s worth a lot to a parent to know they are learning in a safe and Godly atmosphere!”

– Anna Lapp (Parent)

“As an instructor I have been challenged to teach students of all ages and backgrounds. Chabod Academy has helped me step out of my comfort zone so I could become a better artist and performer. The Support of my co-workers and friends here has given me the strength to confront hard situations in my life. This place has given me a family.”

- Derek Martin (Instructor), 23

“Chabod Academy is one of a kind! I never thought I would find an school where I could learn Break dancing, ballet, gymnastics, and tap! I came all the way from Florida just to study dance and gymnastics and I could not have found a better place as welcoming and encouraging as Chabod! ”

– Blake Sliker (Student), 19

“I’ve experienced so much growth spiritually and physically being involved at Chabod Academy! When I first came, I was rebelling against my family.
